The Greater St. Louis Amateur Baseball Hall of Fame was founded in 1973 to honor those players, coaches, umpires and contributors who have helped amateur baseball flourish in the Gateway City. The STL ABHOF celebrates the rich history of St. Louis amateur baseball by recognizing those individuals who have contributed on the field as an outstanding player, coach or umpire or off the field as an organizer or contributor. The STL ABHOF is a not-for-profit organization dedicated to promoting and recognizing individuals who have excelled in St. Louis amateur baseball during their career. Over 800 individuals have been honored since the first class of inductees in 1974.

Along with honoring past players, coaches, umpires and contributors, the STL ABHOF has expanded recognition to an even wider playing field:

In 1995, the Rising Star Award was born. This award honors high school baseball players and their coaches for outstanding play.

In 2001, the STL ABHOF created the Bob Broeg Award to honor a high school baseball coach who excels as a teacher, coach and mentor for their respective high school team.

The Bob Burnes Lifetime Achievement Award, established in 2004, honors a player from the Greater St. Louis Area who has achieved success at the professional level.

In 2012 the STL ABHOF created the Jack Buck Media Award, which is presented to a distinguished member of the St. Louis media who has promoted, reported, broadcast, provided analysis or play-by-play about the game of baseball in a professional manner during their career.

And this year, 2018, the inaugural Legacy Award recognizes a person or organization that has furthered the mission of honoring baseball at every level in the Greater St. Louis area.

ABHOF ELIGIBILITY REQUIREMENTS:

To be eligible for induction, candidates must have the following minimum qualifications for consideration:

- Have reached the age of 40
- Have participated in amateur baseball for at least eight (8) seasons after high school. Each college season and summer season counts individually. Minor league playing time will be accepted. Appearances in the major leagues shall be limited to 120 or fewer AB's and five (5) or fewer pitching appearances.
- Have participated for at least one (1) year in the Greater St. Louis area.

All candidates must complete an application and submit it to the board no later than October 1 annually. For applications go to: www.stlabhof.org or contact: stlabhof@aol.com.

AMATEUR BASEBALL HALL OF FAME LEGACY AWARD

The Board of Directors of the Greater STL Amateur Baseball Hall of Fame is pleased to present the inaugural Legacy Award to the St. Louis Browns Historical Society and Fan Club for their outstanding work in keeping the legacy of the St. Louis Browns alive throughout the baseball world.

ST. LOUIS BROWNS HISTORICAL SOCIETY

The St. Louis Browns Historical Society, popularly known as the Browns Fan Club was created in 1984 by Bill Borst to celebrate and remember the legacy of the St. Louis Browns, an American League baseball team that called this city home for fifty-two years. Their tenure was marked by more losses than wins and a portfolio of gimmicks and shenanigans. Overshadowed by the near-dynasty exploits of their city mate Cardinals, the Browns were sold off and limped east to Baltimore in 1954.

In the words of Oriole management, "... our history was tied into the long history of Baltimore Orioles baseball, not St. Louis baseball ... the Browns belonged to St. Louis, and that's where their memory, as Browns, should rest in

peace." And so it is that the St. Louis Browns Historical Society shall own and maintain that memory.

Despite the worst overall franchise record in baseball history, the Browns legacy is also built on sometimes near great teams, hall of fame players, and overall colorful stories of such that they could not be made up by an author's pen. It is a team that today is held dear and near to not just the St. Louis community, but the world of baseball.

While other fan clubs were initially formed to support relocated teams, few remain intact and none to the unprecedented level of success as the Browns Fan Club. What started as small informal gatherings grew into formal dinners and events with today over 500 members across the country. As former Brownie players have passed and only twelve of the 764 men who wore the orange and brown flannels are still with us, the Fan Club continues strong today with a resurgence of their memories buoyed by a recently published award winning book: *The St. Louis Browns – the Story Of A Beloved Team* and an outstanding PBS documentary: *The St. Louis Browns – The Team Baseball Forgot* recently aired across the nation ensuring that this team and their legacy will live and always be remembered.

In 1978, Wilke founded Sports Stats which serves over 200 high schools in the St. Louis area by providing box scores, photos, stories, and data to the Post-Dispatch and STLtoday. He managed Sports Stats for over 35 years, writing some of the first baseball statistic computer programs. In 1995, he created one of the first high school websites in America for baseball and other sports.

Wilke played baseball at Duchesne High School from 1963 to 1966. He was a baseball and basketball player at SIU-Edwardsville from 1968 to 1970.

SLABA Congratulates the 2018 Hall of Fame Inductees ... Including Our President Fred Wilke!

The St. Louis Amateur Baseball Association (SLABA) provides high school players in the metro area with a cost-effective, high-level summer baseball experience. SLABA's founding principles of promoting sportsmanship, fellowship, and the development of youth through baseball-related activities year-round are still the basis of the league today.

Having just celebrated its 30th anniversary in 2017, the league now boasts 13 member organizations in Missouri and Illinois. In 2018, this includes 40 teams competing in the 15U through 18U levels, with league and playoff championships.

SLABA offers maximum exposure to top-notch competition as its teams participate in

select tournaments across the Midwest. It also sponsors an annual showcase so its incoming high school seniors can be seen by the region's college coaches.

Thousands of SLABA players have played professionally or in college. Famous alumni include:

- Three-time Cy Young winner Max Scherzer;
- 2011 World Series MVP David Freese;
- 2006 National League MVP Ryan Howard;
- Current/ former major leaguers Luke Voit, David Phelps, Kyle McClellan, Morgan Burkhardt, and Cliff Politte;
- Grammy Award winning recording artist Cornell Haynes, Jr. (a.k.a Nelly).

Located on the main concourse between home plate and first base near the Founders Wall, the display features amateur baseball memorabilia and a video presentation that showcases the great amateur baseball tradition in the St. Louis Metro Area.

The display is available to Cardinal fans throughout the baseball season.

Two auxiliary displays are located in baseball centers in the St. Louis area.

Mathews-Dickey Boys Club located at 4245 North Kingshighway in St. Louis hosts our second Hall of Fame display accessible to the public during regular business hours.

The St. Louis Baseball and Fastpitch Academy houses our third display in South St. Louis County at 3641 Reavis Barracks Road in Lemay. This display is also open to the public during regular business hours seven days a week.

St. Louis amateur baseball has a rich history. Countless young men have launched outstanding collegiate, semi-professional and professional careers on the amateur fields of St. Louis.
